

January 13, 2026

Dear Caledonia Families,

Please see the attached newsletter being shared on behalf of the CCS Food Service Department.

Here are a few highlights from this month's Food Service Newsletter:

- **Student Choice: Food Your Way** – Calling all high school students! During lunch, students can sample new foods and vote on their favorite. The winning dish will be featured on next month's menu. (*North cafeteria: Tuesday 1/13 | South cafeteria: Tuesday 1/20*)
- **Plant Power** – January's newsletter highlights the benefits of “eating the rainbow,” encouraging students to fill their plates with colorful fruits, vegetables, and grains to fuel both body and brain.
- **Breakfast Club** – Breakfast is **free for all students every school day**, with breakfast served in all cafeterias. The newsletter includes serving times for each building so students can start the day right.
- **Featured Recipe: Black Bean Brownies** – Check out the [recipe](#) included in this month's newsletter for a fun and healthy treat to try at home!

We also value your feedback and would appreciate your participation in our quick surveys by Friday, January 23rd at 5:00 pm:
