

**Subject:** December Food Service Update

December 2, 2025

Dear Caledonia Families,

Please see the attached newsletter being shared on behalf of the CCS Food Service Department.

Here are a few highlights from this month's Food Service Newsletter:

- **Chili Days: Warm Bellies** – Our winter campaign continues in December! Look for hearty chili, bold spices, and comfort-food favorites that help beat the chill in our cafeterias.
- **Breakfast Club** – Breakfast is *free for all students* every school day, with breakfast served in all cafeterias. The newsletter includes serving times for each building so your student can start the day right.
- **Featured Recipe: Homemade Hot Honey** – Try this easy recipe to “spice it up” at home by drizzling over chicken, roasted vegetables, or your favorite snacks.
