CAFETERIA UPDATE

Hot Lunch is Being Served!

Construction is making progress
and the kitchen passed
inspection.

Menu Updates

Check the school website
regularly for the most up-
to-date menu options.

Strive for Less Than

Make every day count!

- Be on time, every time
- Stay all day every day
- Set appointments before or after school
- Plan vacations when school is out
- Build backup plans or a buddy system to get students to and from school

Give a High 5 for higher success!

Did you know...

1. Missing more than 5 days in Kindergarten makes learning to read harder
2. Missing more than 5 days any year hurts learning and lowers test scores
3. Students who miss more than 10% of school a year (just 2 days a month) are more likely to drop out
4. Being late to school or leaving early leads to poor overall attendance
5. Absences affect everyone when teachers have to help students catch up

Being in school all day every day gives students a greater shot at success. Every day, every hour in class is a learning opportunity. Students who are absent, arrive late or leave early get less learning time than students with better attendance. That's why every student and every parent should Strive for Less Than 5 absences each school year.

Days Absent

#StriveForLessThan5

Superintendents throughout Kent ISD adopted the Strive for Less Than 5 campaign as an ISD-wide initiative because regular attendance is critical to student success!

**WE'RE LOOKING FOR STUDENTS
INTERESTED IN DEVELOPING THEIR
LEADERSHIP SKILLS**

Duncan Lake has brought back the Kiwanis Builders Club Chapter for 2026-27. Starting in October, we will be meeting once or twice a month in the morning before school from 7:10am-7:35am. We are looking for students interested in developing their leadership skills while serving their school and community. This is a great opportunity to meet new people and work on important service projects. Past projects have included reading to Kindergarteners, hosting staff appreciation events, making fleece blankets to donate to shelters, as well as raising money for Trick or Treat for Unicef. Builders Club is a student led group. All projects are decided on by the students.

Watch this newsletter for dates and the location of the meetings.
