A note from the Principal:

Hello Emmons Lake Families,

As we wrap up our Halloween festivities, we want to extend a heartfelt THANK YOU to our families for your cooperation and support in completing background checks before attending classroom parties and school events. Your partnership helps us keep Emmons Lake a safe and welcoming place for everyone!

As November brings cooler temperatures, please remember to dress your child appropriately for the weather. We will continue to enjoy outdoor recess whenever possible because fresh air and play are such important parts of the school day.

With the holiday season approaching, we also encourage families to make consistent school attendance a priority whenever possible. Every day brings valuable opportunities for learning, growth, friendships, and building important life skills. We understand that illnesses and unexpected circumstances happen, and we truly appreciate your efforts to make each school day count.

As we enter this season of gratitude, we are reminded how lucky we are to have such a wonderful school community. Thank you for being part of what makes Emmons Lake so special. We are grateful for each of you!

THE PTO NEWS

Eagle Feathers Parent-Teacher Organization

emmonsPTO@calschools.org

PTO Website: Check us out!!

Congratulations to Mr. Huene's class for raising the most money for this year's Harvest Hustle! Their hard work earned them a special donut treat! As an added incentive, every $5 raised earned students an entry into a raffle for the chance to make Mrs. Maday a sundae! Mrs. Maday and the students had so much fun with this sweet reward!

If your student was expecting a Harvest Hustle prize but didn't receive one, please email the PTO at emmonspto@calschools.org.

Join us for our next **PTO meeting on November 17th at 6:30 PM** at Emmons Lake! We'll be having a fun scavenger hunt, so bring the kids along! We'd love to see you there!

The Holiday Shop is coming soon!
We're looking for volunteers to help students preview and shop during the week. If you're able to lend a hand, **sign up here.**

We appreciate all the help in making this a fun experience for our students!

Caledonia Youth Lacrosse: Upcoming Opportunities!
Save the Date! Try Lacrosse for FREE!
Caledonia Youth Lacrosse (CYLC) invites all new and interested players to come out on Saturday, November 14, and give lacrosse a try!

Coding Club & Stage Stars
Youth Enrichment Classes: Coding Club & Stage Stars
The Caledonia Resource Center is offering two fun opportunities for students this November! Coding Club (ages 8–13) introduces students to computer programming, video game design, and problem-solving, while Stage Stars (grades K–6) helps students explore acting, improvisation, and creativity through interactive drama activities.
